# ABOUT YOUR ARTIST

Hello my beautiful bride, I'm Sam and I create the most *beautiful glam* for melanated women just like you. Brides deserve to feel their absolute best on their wedding day. I've worked for years to create my signature look that will be custom for your wedding day. I can't wait to see you in that moment where I reveal your wedding day look and you are in awe of how beautiful you look and more importantly, feel.

Cheers to our new future together.

XOXO, Sam
